

Welcome to Green Inspiration

Interior plants | design . hire . service

Green Inspiration provides excellence in design and personalised service in the Canberra Indoor Plant Hire Industry. Our customers choose us because of our creative design approach and seamless service.

Our creative design process is unique in the industry. The result is an innovative interior plantscape combination for each customer. At Green Inspiration we are environmentally conscious and conduct water minimisation practices as part of our servicing techniques. We enjoy improving indoor environments, with the inclusion of healthy plants in a design which is contemporary, functional and stylish. There really is no better way to improve an office environment than including well maintained plants from Green Inspiration.

Enjoy our website and be inspired to have our stunning plants in your interior space.
